Motion to Amend Intro. No. 196 of 2006 to include Section 3 to read:
- "It is the policy of the County Legislature that Monroe County should have a Cash Capital Budget so that relatively small and/or recurring purchases could be purchased with annually appropriated cash rather than using borrowed funds for all such purposes. The total expended would not increase but the source of funds for specific items would be cash appropriated in the annual budget rather than bond proceeds. It is the expressed hope of the Legislature that the resolution of the County's current financial problems will include the initiation of a Cash Capital Budget and that such a process would begin with a \$1 million Cash Capital Budget in 2007. Furthermore, in future Capital Improvement Programs, the County Planning Board should identify specific items for cash capital financing rather than bonding."

Motion to Amend this Bonding Resolution for Referral # 06-0236 to include Section 9 to read:

"It is the policy of the County Legislature that Monroe County should have a Cash Capital Budget so that relatively small and/or recurring purchases could be purchased with annually appropriated cash rather than using borrowed funds for all such purposes. The total expended would not increase but the source of funds for specific items would be cash appropriated in the annual budget rather than bond proceeds. It is the expressed hope of the Legislature that the resolution of the County's current financial problems will include the initiation of a Cash Capital Budget and that such a process would begin with a \$1 million Cash Capital Budget in 2007. Furthermore, in future Capital Improvement Programs, the County Planning Board should identify specific items for cash capital financing rather than bonding."

Note: Legislator Smith raised a point of order stating that the amendment is identical to the previous amendment tabled for Referral 06-0183. Therefore suggesting that it be ruled Out of Order. Legislator Aldersley stated that she voted with the prevailing side on the tabling motion and made a motion to take this item from the table. President Zyra indicated that this was a valid motion to make since Legislator Aldersley voted with the prevailing side.

Note: President Zyra Moved into Executive Session to further discuss this referral at 7:21 P.M and concluded Executive Session at 7:22 P.M. Legislator Smith raised a Point of Order that the questions being asked do not relate to the referral and are out of order. President Zyra asked for a parliamentary ruling from Legislative Counsel Patrick Pardyjak. Mr. Pardyjak's ruling indicated that the discussion had strayed from the subject of the particular referral which was in regards to the Sheriff's Command Unit and no other bargaining unit. He indicated that the discussion and debate should be restricted to the contract for the Command Unit only. President Zyra stated that he would rule on the order in support and agreement with Mr. Pardyjak's ruling.

Legislator Bronson then appealed the Ruling of the Chair and an objection was made. A vote was taken in support of the Ruling of the Chair and was sustained by the following:

Ayes - Legislators Smith, Adair, Barker, Casseti, Colby, DiRaddo, Dobson, Driscoll, Hanna, LaFountain, Malta, McCann, Quatro, Tucciarello, Valerio, Yolevich and Zyra - 17
