Hon. Cheryl Dinolfo
Monroe County Clerk
101 County Office Building
39 West Main Street
Rochester, NY 14614

Dear Ms. Dinolfo:

I am writing on behalf of my constituent, [REDACTED] of [REDACTED] Brighton, regarding a problem he is experiencing with the County Clerk's Office.

Mr. [REDACTED] is very concerned about privacy standards relating to documents on file at the County Clerk's Office. He contacted me after discovering his Social Security number had been posted on the Monroe County website as part of a series of mortgage documents he had sent to the County Clerk's Office over 6 years ago.

Attached for your review, please find copies of the information Mr. [REDACTED] provided me. I would greatly appreciate a response to Mr. [REDACTED] concerns from the appropriate administrative office as soon as possible.

In advance, thank you for your prompt attention to this matter.

Sincerely,

Travis Heider
Legislator--District 14
